Letter No. 45/53-L4/53-1 dated 25.6.53.

Sub: Highways Department-South Kanara District-
Executive Staff-Occupation of temporary quarters
for Supervisors (Highways) of Payaswami Bridge
work-Free of rent-Requested.

ps mfm

I forward herewith a copy of letter Re.No.A5/3880/52
dated 25.7.52 from the Superintending Engineer (Highways) IV circle
Coimbatore together with its enclosures on the above subject.

ps mfm

In the circumstances stated therein by the Superin-
tending Engineer (Highways) and Divisional Engineer (Highways)
I have to state that the sheds put up are purely temporary
in an out of the way place. The Supervisors draw the usual
allowances and the allotment of rent free quarters will be in
the interests of speedy execution of work but it will not be
an amenity to the staff occupying the quarters. The Supervisors
are not given any extra amenities viz. water supply, electricity,
free conveyance to shandy or Railway station etc. as in the
case of Tungabhadra Project and other projects. Hence, I
recommend that the sanction of Government for the occupation
of the temporary quarters by the two Supervisors for the execution
of the work free of rent may be obtained as their stay at the
workspot will be a matter of necessity to speed up the execution
of Government work.

The quarters for the Supervisors at Thokkil have been provided for under a sub estimate for Rs. 6,600/- in D.R.No. 8/51-52 in the main estimate for constructing the bridge across Payyasswami River at 53/0 of Kalladka Kanhangad road. The plan of the building is enclosed. The work is completed. The Supervisors ~~will be~~ will be soon occupying the building. The Supervisors at Kuttipuram for the Bharathapuzha Bridge work have been allowed quarters free of rent in G.O. No. 4980 P.W.D. dated 20.12.48 communicated with Superintending Engineers (H) No.R.Dis. 371/48-7 dated 15.1.49. This is a similar case and therefore the Chief Engineer (Highways) may be addressed to obtain Government sanction for the free occupation of the quarters by the Supervisors of Thokkil bridge work also.

Ref: Chief Engineer's (H) Endorsement No. 6377/E2/48 dated

Letter of Divisional Engineer (H) Bharathapuzha bridge
Division R.C.2718/52 dated 10.7.52.

p74 (W) A copy of the letter received from the Divisional Engineer,
Highways, Bharathapuzha referred to is enclosed herewith together
with the plan of the building for favour of addressing the
Government to obtain sanction for the free occupation of the
quarters at Thekkil, by the Supervisors of Thekkil bridge works.

In this connection I solicit a kind reference to Chief
Engineer's (Highways) endorsement No. 6377/E2/48 dated 23.12.48
wherein the Government have permitted the executive staff of the
Bharathapuzha bridge division to stay in the temporary sheds
put up at the Kuttipuram bridge site, free of rent. I submit
that this is also a similar case where the departmental officers
have to stay in an out of the way place and therefore I request,
that Government may be addressed to permit the Supervisors of
Tekkil bridge work to occupy the temporary quarters putup, free
of rent.
